Why choose Iron Frames?

Sturdy frame, designed for many years of outdoor use. Reuseable sign faces can be switched out & replaced with new faces. Frames are made out of heavy duty iron & painted for appearance & protection.

Round Rod Frame:

Available sizes: 18" x 24" or 20" x 28"

T-Bar Stake:

Can hold 18" x 24" & 20" x 28" substrates. Vertical or horizontal.

H-Frames:

Main panel is 18" x 24" or 24" x 36". Rider panel is 6" high.

Folding "A" Frame:

Available panel sizes: 18" x 24" or 24" x 30".

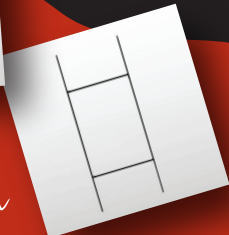

Signcades:

A-frame sign made entirely out of plastic. Sign allows for changeable faces. Available in white or black. 25" x 45" or 25" x 36".

Step Stakes:

Economical stake used for coroplast sign blanks. Available in regular or heavy duty strength.

**All frames with the exception of step stakes
can use aluminum or coroplast sign faces.
Additional or custom sign frames are
available.**
